

Yoshimi Strawberries

Saitama Producer #1

Yoshimi Strawberries, the town's specialty product, is the number one produced item in Saitama Prefecture. During strawberry season, visitors from all over can be found looking for a taste.

Strawberry Smoothie

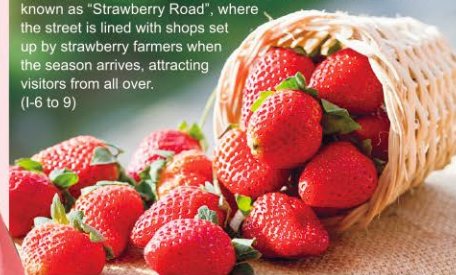

Koi Ichigo

Strawberry Soft-serve

Strawberry Road

The section of prefectural route 33 within the town's borders is known as "Strawberry Road", where the street is lined with shops set up by strawberry farmers when the season arrives, attracting visitors from all over. (I-6 to 9)

Strawberry Picking

Between January and May, you can enjoy strawberry picking in four parks in town. Enjoy Yoshimi Strawberries to your heart's delight. They look, smell and taste great!

- (1) Imanishi Strawberry Park (Elevated) TEL 090-2155-2690 (G-6)
- (2) Imanishi Strawberry Park (Soil) TEL 090-4074-9496 (G-6)
- (3) Uchino Kiyoshi Farm (Elevated) TEL 0493-54-0917 (F-7)

*Check the state of the strawberries for each park before visiting.

Abura Miso Bowl

Abura Miso Ramen

What is Abura Miso?

"Yoshimi Abura Miso" is a nutritious dish made by mixing plenty of meat and seasonal vegetables with a base made of eggplants cooked in miso.

In 2013, Abura Miso received a special award in the "Saitama Class B Local Gourmet King Final".
