Used small household appliances			
Items not collected in town		<p>Garbage from businesses (shops, offices, restaurants, etc.) cannot be put out at collection points.</p> <p>Products subject to the Home Appliance Recycling Law</p>  <p>Difficult to process</p>	

Please check the "calendar" and "rules and points to be aware of" on the back, and dispose of garbage so as not to annoy people nearby.

Garbage disposal rules and points to be aware of

◆ Observe designated collection days, times, and collection points

- On the day of collection, please take it out to the designated garbage collection point by 8:30 am.
- Garbage collection points are designated and managed by each administrative district. Please check with the head of the ward or health committee regarding use.

◆ Please use the designated garbage bag

- Burnable Garbage: Translucent bags printed in red
- Plastic containers and packaging: yellow bags
- Non-burnable garbage: Translucent bags printed in blue letters

(In addition to the designated bags, you can also put out a translucent bag with "もやせないごみ" written on it.)

◆ Sort properly and dispose of garbage

- Waste that is not sorted correctly cannot be collected, and it may cause bad odors at the waste collection site and affect environmental hygiene.

◆ Please manage the collection point by yourself.

- The garbage collection point is managed by the person using it and is kept clean. We ask for your cooperation in cleaning up the area.
